

# START BUILDING YOUR CAREER WITH AN INTERNSHIP AT SKENDER

You are a dynamic, hard-working construction student looking to gain valuable, practical and diverse work experience as you launch your career journey. You're eager to find the right company – one that values collaboration, communication, individuality, creative thinking and idea sharing.

Well, look no further.

We are one of the nation's top 100 building contractors with full-service capabilities in every major project sector. Headquartered in Chicago with an office in Indianapolis, we serve our clients – real estate developers, hospitals, global brands, etc. – throughout the Midwest and across the country. Skender is widely known for its industry-leading Lean project delivery that maximizes value, efficiency and results. Our people-centric culture has earned more than two dozen Best Place to Work awards and it shows through our high-performing teams and best-in-class customer satisfaction scores.

An internship at Skender will provide you with many career benefits:

- Meaningful, real-world work experience in the field and office
- Access to senior leadership and project team leaders
- Career development, learning perspectives and new skills
- Professional network-building opportunities
- A competitive edge in the job market
- An understanding of the different career journeys in construction
- A path to becoming a Skender employee after graduation

Start building your career with an internship at Skender. Visit [skender.com](http://skender.com) for more information.
